

W. Jenne is building two residences in Southwestern addition.

Mrs. Jessie Fox is building a cottage in Southwestern addition.

Dr. J. G. Russell has recently installed an up-to-date soda fountain.

Dr. Edwin Manney is building an office first door east of Street & Baker.

C. H. Chenaault, the banker, has built an annex to the residence east of him.

Rev. Robertson is building a three-room cottage in Southwestern addition.

Mrs. M. Rudolph and two youngest children are visiting in Texas for a month or so.

J. H. Hughes, the carpenter, will build a rooming house in Southwestern addition.

W. H. Davis of Desdemonia, Texas, brother of A. J. Davis, is here visiting his brother and family.

G. W. Coxey, M. S. Coxey, W. S. Snead, all of Green Forest, Ark., and their families, are new arrivals here and are thinking of locating.

John Quinliven, the contractor, is building a cement foundation for a stand pipe for the city water works. The structure is 28x28 feet.

C. T. Adare is putting in groceries in a new building east of and adjacent to Jones, the Jeweler, and will carry a large and complete stock.

J. B. Colvin, the contractor, informs this paper that the two new school houses he is building will be ready for occupancy in a few days. These are portable buildings and are 25x36 feet.

S. H. Hancock, who is a heavy property owner in Tucumcari, and who has just let a contract for a two-story rock building opposite the M. B. Goldenberg Co. and Gross, Kelly & Co., left Sunday, returning home to Paris, Texas.

S. Anderson is building a tinning and plumbing shop on Center street west of the Eagle Cornice Works. He is preparing for everything in his line of business. The building is 30x70 feet and constructed of a dove.

S. H. Hancock who is building a red sand stone two story block opposite M. B. Goldenberg Company and Gross, Kelly and Company has leased one of the down stairs business buildings and all of the up-stairs.

The Texico Democrat announces its intention to start a daily paper. The Democrat as a weekly is among our very best country papers but the promoters of the Daily may have a strenuous experience until the town grows a little larger. However, we hope to see such a worthy enterprise properly rewarded.

The County Commissioners were in session, an adjourned meeting

Tuesday and Wednesday for the purpose of attending to unfinished business left over from the July term. J. M. Hodges, chairman, and Wash Batson, Endee member, were present.

Miss Hill of San Jon is visiting the family of M. W. Bates at Norton for a week.

Mrs. W. L. Buffen and Miss Mary Buffen are here on a visit from Le Ros, Iowa.

F. A. McKinzie, Insurance man of Dallas, Texas is improving his homestead near Norton.

H. H. Hayes and wife left Tuesday morning for Wathena, Kans., where they will spend ten days.

What has become of the Tucumcari Citizens Band? Don't need \$600 worth of instruments unless we can have a band.

Misses Mable Etzold, Emeline Summers, Irene and Jessie Nichols returned to Liberal, Kans., after a month's visit with Mrs. R. P. Donohoo.

W. T. Anderson was in from the country attending to business matters. He says crops out south seven miles are good, but the weather bureau must come through pronto or some of them will evaporate in this hot sun.

A. J. Davis, who lives seven miles west of town tells the editor that his crops are good and most of them matured. His Indian corn will make thirty-five bushels per acre, millet two tons, kaffir and maize an average yield and garden vegetables are also good.

W. F. Kelsay, the Lloyd Valley farmer, was in town Saturday and tells us his crops are very fair when considered all through. His Indian corn will run fifteen to twenty bushels per acre. Kaffir and maize are beginning to head and will be an average yield. Crops in the Valley are generally good.

J. M. Hodges, chairman of the Board of County Commissioners was among the number of visitors who called on the News this week, and in answer to questions about crops in his locality said: "My Indian corn will make twenty bushels per acre, oats about twenty bushels, and my kaffir and maize are good. We have an abundance of garden vegetables, such as peas, beans, potatoes, beets, etc." The crops, Mr. Hodges says are good in his locality.

Mrs. Dr. Moore and their youngest children, Master Howell and Evalina, came in Sunday morning from Thomas, Okla. Their arrival was a very agreeable surprise to the Doctor and Miss Moore, as they had not been informed as to the exact time Mrs. Moore and the children would reach here. Mrs. Moore expresses herself well pleased with Tucumcari which is a much more substantial town than she expected to find.
